

**SIDE WINDOW VISORS, POLISHED STAINLESS, with hardware**  
 1953-55 .....0125-5355 ...\$52.50 pr.  
 1956 (no longer available) .....0125-56.

**1953-55 CUSTOM DASH TRIM See next Page**

**STAINLESS SIDE WINDOW TRIM MOLDING SET**  
 1956 Reproduction with clips .....1215 .....\$125.00 pr.  
 Was on custom cabs, does both sides, includes replacement style clips, for Original clips see below

**SIDE WINDOW TRIM CLIPS**, The only replacements available are too heavy and require a larger hole in the door as well as some grinding on trim. We have now reproduced the correct clip, but it's pricey! Got the price down a little on this new run. They are worth the price as any other clip available requires enlarging the holes in door & grinding trim.

**REPRODUCTION OF ORIGINAL SIDE WINDOW TRIM CLIP**  
 ONE .....81215 .....\$3.00 ea.  
 TWENTY, does both doors .....81215-20 ....\$45.00 ea.

**REPLACEMENT SIDE WINDOW TRIM CLIP** .81214-R .....\$6.00 set  
 Requires drilling out larger holes and opening up channel, not good for already painted trucks, if painted use our repro. clips, above.

**JOINT CLIP, STAINLESS** .....1218-RP .....\$8.00 ea.  
 We reproduced these, still expensive but a lot cheaper than before

**WINDSHIELD MOULDING TRIM** .....1220 .....\$250.00 set  
 Includes clips, new reproductions, Chromed Aluminum.

Windshields and Big Back Glass: Installation: put rubber on glass, trim in groove, then entire assembly in truck from outside.  
 For flat standard rear glass installation see page 85  
 If you install it backwards, then call us to say there is something wrong with the rubber, the trim, or the glass is too big for the hole, etc..... well then:::We know!  
**YOU did not read or follow the directions, so, you owe us lunch, if you are a professional glass installer, it'll cost you dinner!!**

**JOINT CLIP, STAINLESS** .....1218-RP .....\$8.00 ea.  
 We reproduced these, still expensive but a lot cheaper than before

**REAR BIG BACK WINDOW MOLDING** .1226 .....\$250.00 set  
 Long time in the making, long story. Originals were stainless, these reproductions are Chrome over aluminum. They are beautiful! and guaranteed. They fit like originals and use stock rear window weatherstrip with groove and even come with all the clips.

**VISOR, Steel not done but have the stainless front trim finished**  
**POLISHED STAINLESS TRIM only** .....1260 .....\$95.00 ea.

**FIBERGLASS VISOR, with chrome trim & brackets.** This is hard to install and I do not like the brackets at all, however some have installed it and love it, looks great once it is on the truck.  
 1953-55 Visor, trim and brackets .....7996-5355 ..\$299.00 ea.  
 1956 Visor, trim and brackets .....7996-56 ....\$299.00 ea.  
 Large piece, additional shipping .....ADD .....\$20.00 ea.

**ROOF, Fiberglass roof sections (chop tops also available see pg 107)**  
 Roof can be installed with Plio-Grip panel adhesive.  
 1953-55 Roof section, fiberglass .....6528-5355 ..\$350.00 ea.  
 1956 Roof section (shown), fiberglass ...6528-56 ....\$350.00 ea.  
**CHOP TOP ROOF, SEE PG. 107**  
 Additional shipping .....ADD .....\$20.00 ea.

**DRIP RAIL and inner roof reinforcement** ..97760 .....\$125.00 ea.  
 3 piece, repro. of original, note the insert drawing. 56' only available.

1956 DRIP RAIL trim, polished alum .....1221-56  
 Not available at this time, was made by our friend "Jako" who, sadly, passed away, working on new style but may be some time.
