

**LOWERED SPRINGS, REAR.** We offer every possible drop length, in every possible way. From Mono spring to full sets reconfigured to drop 3" Your desired Ride, handling and appearance are all considerations.

Keep in mind Stock height may not be where your truck is setting after 60+ years of wear. Check frame support connections, etc. for tiny cracks and other signs of wear at this time. Springs with two reversed eyes may need modified hangers

- **REAR MAIN LEAF ONLY**, Reversed Eye ..... 2864-4852.....\$140.00 ea
  - **MAIN LEAF KIT**, both main leaves, poly ride, clamps & center bolts.  
KIT ..... 92836-4852..... \$295.00 kit
- to reduce your spring stack, keep bottom short spring, remove next one, keep one, remove one, and so on until you get where you want to be. Never go below 5 springs, watch for cracks or wear, add new main leaf with stock or reversed eye and down you go. Safely and better ride.

- **SHORT & SMOOTH STACK**, 5 leaf spring stack reconfigured, lower arch with reversed eyes and poly buttons.  
Rear Short & Smooth *sold each* ..... 2867-4852.....\$285.00 ea

- **POSIES SUPER SLIDE 3" DROP REAR SPRINGS**  
Pair ..... 2862-4852.....\$399.95 pr

- **MONO LEAF SPRINGS, REAR**, 3/4" Thick in center
- **REVERSED EYE 5" drop** ..... 2892-4852B .....\$545.00 pr

- **STOCK EYE 3" drop** ..... 2892-4852A .....\$545.00 pr

Stock Arch and Eye springs installed under axle will also lower truck a full 4" or more. Most of the time we are changing the rear axle when lowering so see axle conversion pieces for additional information.

**ALL SPRINGS WE SELL HAVE EYE BUSHINGS INSTALLED,**  
*note order pin and bushing kits without Eye bushings.*  
**Stock hangers may need modified to clear springs.**
