

I have been on a quest for a GOOD truck cover manufacturer. We are and have been dealers for Covercraft, Coverking and California Car Cover for years, but I have not been happy with how they fit our trucks. We found a company that will make our cover my way, with reinforcement at those sharp bed corners, long enough to cover bumpers and running boards, enough room for mirrors and just a tad cheaper than building a garage!! Shown below as "Ours"

•••**SILVER-TECH**

3 layers Sy's exclusive design with **DOOR ZIPPER**, on driver side.
What a great cover for shows. Keeps interior cooler, we are in Arizona so very aware of how important UV resistant sun reflective covers are for protection. Lightest weight, so easy on and off.
Super slick inner side pampers paint.

No comparison anywhere..... TC-5301-SZ \$159.00 ea

•••**STORM-BOND**, fabric also known as 4000, Coverbond, Mosom, Noah, etc.
4 layers. Best long term storage and protection from dings, hail, family traffic. Outer layer has highest UV (sun) protection available. Ultrasonic sealed seams to avoid stitches and punctures. Color: light Grey

SY'S with reinforced bed corner..... TC-5300-PG \$169.95 ea
THEIRS, no reinforcing..... TC-5303-4PG \$169.95 ea
LONG BED TC2-5305-LB \$178.50 ea

•••**SOFT-BOND**, fabric also known as 3000, blockit, 380 and others
3 layers, very soft without the "fuzz" that we worry about in flannel fabrics, nice slick underside. Water resistant, seams heat sealed to avoid stitches and punctures. UV resistant, Color: TAN

OURS, reinforced bed corner, custom fit TC-5300-FT \$115.00 ea
THEIRS, no reinforced corners..... TC-5303-3FT \$99.95 ea
LONG BED TC2-5303-3000..... \$99.95 ea

Our truck covers are long enough to cover the running boards
