1953-56 F-250 AND
1956-F-100 LONG BED**

USA

Running board extensions, see pg.141

USA

Custom and economy, this kit is just like 6 foot bed but longer. Cheaper because it uses F-100 short bed Crossmembers, Front Panel and Tailgate. Wheel tubs not needed, any stock or after-market F-100 Tailgate will fit (not included) Looks exactly like short bed just Longer, Neat. Requires moving Running board extensions back to match. Some stock long bed running boards are wide enough to accept the move, some may need modified.

Includes sides, front panel, all x-members with hidden mounting, hardware, wood and choice of strips.
