INSULATE!!
See pg. 26

close-up of Cut Pile and Loop style. We suggest Cut Pile for most trucks, is plush and looks great.

ALWAYS INSULATE FLOOR

Carpet Color samples are free, lots of shades of gray for instance, we are happy to send samples first, it is best to be sure of colors. We use Highest quality automotive carpet in cut pile.

Loop and Double Density styles are also available. Covers rocker area, if using stainless rocker or carpet keepers, just trim and tuck under keeper. Custom made from Sy's patterns, cover floor completely, not just universal, see options.

CARPET IN PIECES: Kits are cheaper and we make sure the color run matches. Individual pieces are listed in Cut Pile only COLOR SAMPLES ARE FREE .SMP-C FREE

****TALLER TRANY COVER?** have you changed or modified the trans cover to go over a bigger transmission, if so, the carpet needs to accommodate it. Ask for ADD-T for taller tranny cover.

****DOUBLE DENSITY**, super plush, double thick, black only.

****LOOP**, Un-cut carpet, very retro look but remember if a loop pulls it can show, use caution if a screw goes through carpet. Loop carpet colors are limited, order by sample number.

FRONT FLOOR includes glue, snaps & instructions, goes up toe board and firewall and down over rockers, (with Carpet Keepers or Carpet Keeper Combos, trim excess at rocker.)
