FLOOR DEPRESSION FILLER & INSULATOR

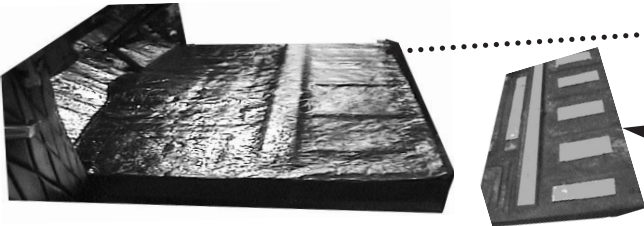

Pour formed for perfect fit. Self adhesive backing. No more old sticky, gummy, gook. Solid, smooth, high tech for a perfect level floor. Made these because I hate the old sticky stuff and wanted to start with a nice, even, flat, smooth, clean, surface. to go even further, see OVERDONE kit below.

- Set does 53-55 or 562100\$48.50 set
- Included in complete floor & complete insulation kit at bottom of page.

OVERDONE FLOOR INSULATOR, precut high density heat and sound deadner. I like to cover entire surface, over the indent fillers, with this. Complete quiet, ultimate insulation.
