4" STRAIGHT ARM . . . . .1157-S4 . . . . . \$20.00 ea.

**CUSTOM MIRRORS**, back again!, Pricy, High Show Quality one-piece base with swivel mirror head. Base is angled like it should have been originally, Pair comes with grommets and mounting bolts.

1953-55 . . . . .1158-5355 . . . . . \$299.95 pr.

1956-60 . . . . .1158-56 . . . . . \$299.95 pr.

**INSIDE REAR VIEW MIRROR** New dies for a better reproduction.

Note all holes in cab are in a triangular pattern. Rectangular base was used on 53-55's, some 56's & with speaker grille, but triangular base mirror swivels at top & bottom for better adjustment, can be used in both cabs by re-drilling mounting holes & may need little ding for ball clearance. Triangular base mirror is better mirror.

RECTANGULAR BASE . . . . .1154-RCT . . . . . \$38.00 ea.

TRIANGULAR BASE . . . . .1154-TRI . . . . . \$48.00 ea.

**MIRROR SCREWS**, Polished Stainless . . . . .81154 . . . . . \$1.65 set
