

AFTERMARKET GAUGES

GROUND HARNESS3277 \$6.90

Original gauges grounded to metal dash, new gauges need ground wires, this is a simple fix.

GAUGE WIRING3278-5R . . \$69.95
for 5 gauges

COMPLETE ELTRONIC RETRO GAUGE CLUSTER, 1953-55

- >Billet aluminum bezel with a brushed finished.
- >LED lighting
- >LED turn signal indicators
- >Blue LED high beam indicator
- >Molded plastic back housing
- >Ultimate speedometer and tachometer technology
- >Push button calibration, another time and money saver.
- >USA made
- >Assembled complete with a billet aluminum bezel.

Includes gauges and dash bezel, Yes, Assembled!! even has a Tach! Direct fit replacement installs into factory dash just like original , fastened with four bolts and one clamp. Complete, no original parts are needed. Everything Plugs in and connectors are included.

Dual layer design features red pointers on all colors to maintain originality. The gauges included are a speedometer, tachometer, fuel, temp, volt, and oil gauges. Our favorite is the retro look, check out how the set up and lettering look similar to an original 1953-55 Ford cluster.

ELECTRONIC GAUGE CLUSTER, add color . . .2680-(color) \$969.95

1956 STILL IN THE WORKS, GET ON WAITING LIST

White (WH)

Grey (GR)

Gold, Tan (TN)

Black (BK)
