LED, With Turn-signals, Order by Color, see next page, Note if using LED bulbs in both tail lights and park lights you will need LED Flasher LED FLASHER 2921 \$9.50 ea.

PARK LIGHT GASKET

1953-54 Both Lights	2246-5354	\$3.00 pr.
1955-56 Both Lights	2246-5556	\$3.90 pr.

PARK LIGHT LENS, original was clear but amber looks nice.

CLEAR 1953 & 54	2244-5354	\$10.00 ea.
CLEAR 1955 & 56	2244-5556	\$10.00 ea.
AMBER 1953 & 54	2245-5354	\$10.00 ea.
AMBER 1955 & 56	2245-5556	\$10.00 ea.

Original park lights were clear with clear bulbs and no turn signals. Our wiring includes turn signals in park lights. Amber was not original but looks nice and shows up better than clear. 1955 & 56 Park light Bases will interchange by redrilling gravel pan. MATCH GRILLE, PARK LIGHTS AND GRAVEL PAN FOR BEST RESULTS PARK LIGHTS MUST BE GROUNDED ON FIBERGLASS PANS

PARK LIGHT TRIM. Not stock but works nice, rubber trim protects paint from edge of park light frame. A pair does both top and bottom of one light or just one side of both lights 2248 \$6.00 pr

PARK LIGHT ASSEMBLIES

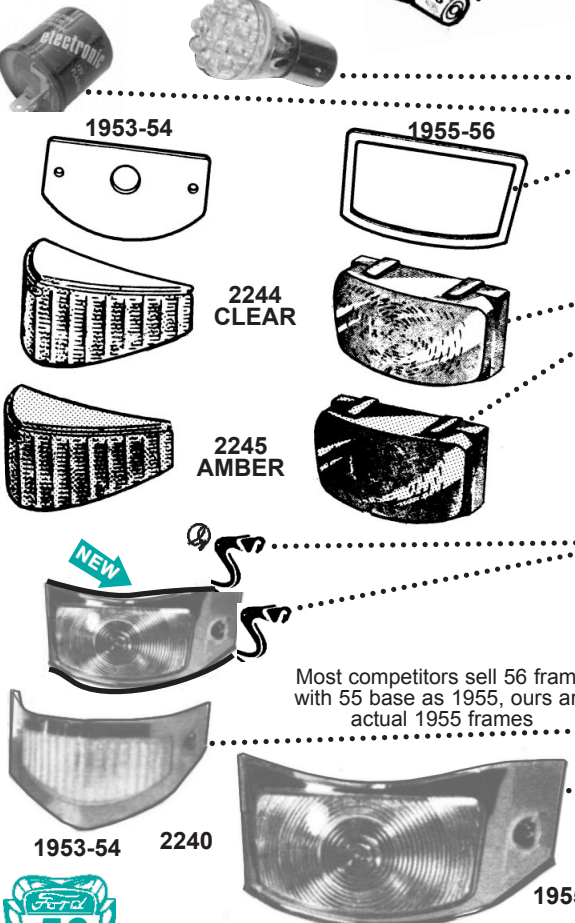

Complete with Base, Lens, Frame and Wiring. All our assemblies have 12-Volt wiring and bulbs with double filament for Park & Turn Signals. If 6-Volt please specify 6 Volt with or without turn signals.

1953-54 with POLISHED FRAME	2240-5354PS	\$45.00 ea.
1955 with CORRECT POLISHED FRAME	2240-55PS	\$45.00 ea.
1956 with POLISHED FRAME	2240-56PS	\$45.00 ea.
1953-54 with PAINTED FRAME	2240-5354CM	\$35.00 ea.
1956 with PAINTED FRAME	2240-56CM	\$40.00 ea.

WITH AMBER LENS, ADDITIONAL 2243-YR \$2.00 ea.

WITH HIGH POWER BULBS ADD \$5.00 ea.

Park light assemblies do not come with mounting bolts, see above.
