New Designs have hidden screws, see rectangular below.  
Too new for pict of Oval.

## ALUMINUM BED FILL DOORS

Beautiful, this is the best bed floor door ever! Fits between bed rails.  
Push to open. Such a high polish it was hard to take photo.  
Even made in an Oval, *we are building Fords, ya-know.*

**OVAL**, Polished & Ball milled as shown . . .1656-OG . . . \$99.95 ea

**OVAL**, Polished Smooth . . . . .1656-OS . . . \$99.95 ea

Suggest using our handy trap door cap under Oval, and all bed fill doors, does not have to be removed, not much room for fingers.

**SQUARE**, Polished & Ball milled as shown .1656-RG . . . \$89.95 ea

**SQUARE**, Polished Smooth, 4 1/2" x 5" . . .1656-RS . . . \$89.95 ea

More room for fingers in the square one.

**Use tanks with screw on caps  
in center of pg. 67 with new bed fill doors**

New style has hidden screws!  
NO screw holes showing, neat!!

**NEW DESIGN**, easy install, round.

Check it out, actual man's hand, real finger room!!!!

**ROUND**, Polished & Ball Milled . . . . .1655-RG . . . \$130.00 ea.

Polished Smooth "shown" . . . . .1655-RS . . . \$130.00 ea.
