

INTERMITTENT WIPERS, or DELAY wipers, one of my favorite things! Wiper motors and switches are matched, and do not interchange.

INTERMITTENT WIPER SWITCH: For most motors used on 1953-55 and 56-60 trucks since 80's. Switch comes with ugly knob shown, shaft is larger than stock, to use stock knob order adapter or knob kit below.

- INTERMITTENT SWITCH & KNOB KIT**92908 \$130.00
- Intermittent switch2908-D \$96.50
- Knob shaft adapter2908-SX \$16.50
- Knob kit, with set screw & wrench, not shown .91002 \$22.00

- INTERMITTENT SWITCH, MOTOR & KNOB KIT**, Includes stock motor kit, bracket, clevis, intermittent switch and stock knob install kit.
- 1953-5593070-5355 \$275.00
- 195693070-56 \$275.00

- NEED IT ALL** Intermittent wiper switch, Knob, Bezel, Motor kit, all linkage arms and brackets, pivots, all chrome bezels & nuts, polished stainless arms and blades. also see pg.72-73 for more info on pieces.
- 1953-55 Everything93075-5355 . . . \$510.00
- 1956 Everything93075-56 \$469.00

bracket shown grey so you can see it, comes black.

- 1956 HIDDEN WIPER MOTOR CONVERSION** (fits 56-60 trucks) Converts 1956 motor to UNDER-DASH. Includes Bracket, clean, uses your stock linkage arms, pivots, etc. use without cowl vent. To keep cowl vent use lift arm, #3073. Also available with intermittent wipers.
This Motor and Delay switch are not compatible with any others.

- 1956 HIDDEN MOTOR & 2 Speed Switch** . . .3072-56 \$225.00

- 1956 HIDDEN MOTOR with INTERMITTENT SWITCH**
- Motor, Intermittent Switch, Wiring, Adapter .3071-56 \$289.95
- Kit above plus Stock Knob, Bezel & Insert .93073 \$399.95

- COWL VENT LIFT ARM**(56 only)3073 \$15.00

- NEED IT ALL:** Hidden Underdash 56 wiper motor & Intermittent wipers kit, knob & bezel kit, all linkage arms and brackets, pivots, all chrome bezels & nuts, polished stainless arms and blades.

- HIDDEN MOTOR Need it all93074-56 \$499.95

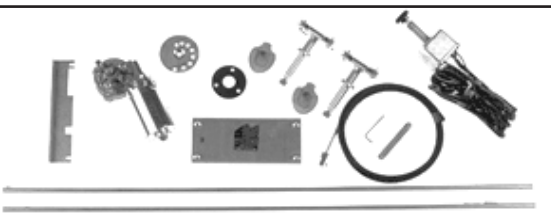

- WINDSHIELD WASHER PUMP, ELECTRIC**, pump is controlled with intermittent switch sold in kits above or with our replacement switch used with stock motors, can also be controlled with single switch. Pump comes with length of hose. You may need more depending on where you place a reservoir for the fluid. more washer parts see pg.70

- ELECTRIC PUMP** with hose3079 \$25.00

- SWITCH, 2 Speed**, stock style motors, use this switch to add electric pump to regular electric wiper motors . . .2909 \$40.00

- stock style manual pump, reservoirs, hoses etc.** see pg.70

- NOZZLE**, also see pg.703080 \$50.00

- SPECIALTY WIPER KIT**3039 \$299.00 kit saves room under dash, clean install, quiet and INTERMITTENT wipers. Cable driven, best to install before other things are under dash. You will need your pivots as shafts must be modified with stock pivots, unless you get ones we have already modified, see below

- MODIFIED SPECIALTY WIPER KIT** new pivot drums installed, we do the work, send in your old pivots for a credit.

- 1953-553039-5355 . . \$369.00 kit
- 19563039-56M . . \$369.00 kit

- NEED IT ALL**, To install above kits, Stock knob & Chrome Trim kit.
Kit: Knob & Adapter, Insert, Bezel, Chrome Pivot Trim, Nut & Gasket
Add to any Specialty type kit93039-A . . . \$65.00 kit

- NEW SIDE MOUNT KIT**, Mounts off-side, includes linkages. Innovative, heavy duty, gets motor away from center and eliminates linkages. also needs knob and bezel kit if using stock knob See KNOB KITS above

- 1953-55 side mount, standard switch . . .3076-5355 . . \$374.95 kit
- 1953-55 side mount, with delay switch . . .3077-5355 . . \$429.95 kit
- 1956 side mount, standard switch3076-56 . . . \$374.95 kit
- 1956 side mount, with delay switch3077-56 . . . \$429.95 kit
