

CUSTOM WIDER SHORT BED KITS

Not stock style bed. Wider bed kits may require wheel tubs and do require moving the running board extension out to meet the bed. We offer these beds with and without sides and floors, as well as individual pieces. Bed sides and bed strips are the same as stock beds.

CONVERSION KIT

Use your own bed sides, includes: front bed panel, front crossmember, 2 center crossmembers, 1 rear x-member, tailgate, rear sill. Choose with or without wood. Kits do not include bed strips as they are the same as standard bed so, order choice of bed strips separately, also see page 119
