FLAMING RIVER COLUMNS

Very nice column, fits the truck great, short bell gives more cab room. Available with or without chrome lighted shift indicator
 We offer this column as the shifter and tilt area is only 8 inches which allows the use of a 30 inch column, with less column sticking out in the cab. Includes Polished stainless shift arm, dress up kit, GM wiring with 4 1/4" connector. Shift indicator is attached, illuminated and has chrome housing. Real nice column. Nice shift indicator.

Flaming river columns are also available with key in column and keyless start and in paintable stainless
