

WIRING, 6 VOLT

THIS PAGE IS FOR 6 VOLT TRUCKS ONLY, IF YOU ARE LOOKING AT 6 VOLT AND ARE UNDECIDED, ANSWER THIS QUESTION:

Are you striving for exact, or as close to exact of original as possible? NO? Then don't even mess with 6v, go 12v. All 1953, 1954 and 1955 trucks were originally 6 volt, positive ground. The following pieces are cloth bound, proper color, correct wire size and include instructions.

6 VOLT TO 12 VOLT SYSTEMS. Changing to 12 volt will require a 12 volt generator or alternator (alternator is best choice). The bulbs need changed to 12 volt. Stock gauges, 6v heater motor and 6v wiper motors will work with an electronic voltage reducer. 6v starter will run a little fast and maybe not last as long so may not be worth changing. Battery, solenoid, & coil need updated.

DASH/COWL WIRING

- 1953, 6 cylinder 6V-14401-FAL \$260.00 ea
- 1953, 8 cylinder 6V-14401-FAK \$279.00 ea
- 1954, 8 cylinder 6V-14401-FDE \$265.00 ea
- 1955, 6 cylinder 6V-14401-E \$355.00 ea
- 1955, 8 cylinder 6V-14401-B5C \$355.00 ea
- 1956 See our kit, is cheaper and has turn signals, page 46

1953 COIL TO DISTRIBUTOR 6V-14302-7RA \$5.50 ea

GENERATOR TO REGULATOR WIRING

- 1953-54, 6 cylinder 6V-14305-FAJ \$18.50 ea
- 1954, 8 cylinder 6V-14305-FDE \$19.50 ea
- 1955, 8 cylinder 6V-14305-FDM \$18.00 ea

HEADLIGHT CROSSOVER WIRING 6V-13006-BTZ \$34.50 ea

Includes park lights, and horn wires

HEADLIGHT SOCKET & PIGTAIL 6V-2235 \$22.50 ea

53-54 HORN RELAY TO HORN 6V-14440-FA \$19.00 ea

1955 HORN RELAY TO HORN 6V-14440-B5C \$17.50 ea

53-54 SOLENOID TO JUNCT. BOX 6V-14439-FAA \$42.00 ea

TAIL LIGHT CROSS OVER WIRES 6V-14405-B5C \$69.50 ea

Harness comes from steering column with both brake lights

CONNECTOR Needed for 6V ends

- 4-way 3205 \$6.50 pr
- Single 3205-1 \$2.25 pr

PARK-TAIL LIGHT SOCKET & PIGTAIL

- Single 6V-2213 \$15.00 ea
- Double 2213 \$4.50 ea

FLAT HEAD TEMP X-OVER WIRE

- 53-54 6V-14432-7RA \$10.50 ea

NEUTRAL SAFETY SWITCH WIRES

- 54-55 6V-14476-FDE \$32.00 ea

RADIATOR FAN 6V 16" SuperFlo 6V-5031 \$110.00 ea

6 VOLT ACCESSORIES

- Temp sender, single post 6V-2941 \$50.00 ea
- Temp sender, double post 6V-2942-2 \$50.00 ea
- Cigar lighter 6V-1003 \$28.50 ea
- Flasher 6V-2920 \$9.50 ea
- Gas sending unit 6V-1603 \$45.00 ea

SCHEMATIC Color, 11 x 17, laminated, close up of tiny piece shown.

- Order year (1953-4) (1955) or (1956) B-3203 (yr) \$15.50 ea

6 VOLT BULBS

- Tail or park light with turn signals 6V-2260 \$1.50 ea
- Park light, no turn signals 6V-2269 \$2.00 ea
- Dome light 6V-2269 \$2.00 ea
- Dash cluster 6V-2618 \$1.90 ea

ELECTRONIC VOLTAGE REDUCERS

- For single gauges, one per gauge 3222 \$15.95 ea
- For multiple gauges up to 1.5 Amps 3223 \$64.50 ea
- For motors, heater & wiper 3223-4 \$69.50 ea

6 VOLT HEADLIGHT RELAY 6V-3268 \$32.50 ea

6 VOLT ALTERNATOR 6V-3266 \$275.00 ea
