

HEADERS

All header orders are double checked by the manufacturer to make sure they will fit in your truck the first time!

All headers made in the USA

All Headers listed on this page fit 1953-56 F-100 stock chassis unless specific chassis modifications are noted. Motor mounts, pads, oil pans and location of engine also determine the fit. See starter requirements. Black headers may be returned if not modified, Jet hot coated are not returnable as they should be fit before coating, we are happy to send them to you for fit first, then off for coating process. If you must return headers because of fit, please keep in mind we take the fit of our parts very seriously & research problems extensively.

Y-BLOCK ENGINE 239, 272, 292, 312 stock chassis or IFS
 Black econo tube header..... 4301.....\$299.00 pr
 Black Sanderson header..... 4300.....\$319.00 pr
