

GLASS

WINDSHIELD COLORS

- Clear
- Tinted (greenish) 44%
- Shaded top (green tint to dark teal)
- Smoke (grey) 44%
- Smoke with shaded top

SIDE AND REAR WINDOW COLORS

- Clear
- Tinted (greenish) 44%
- Smoke (grey) 44%
- Double dark (limo) 22%
- Blue, extra \$ (not avail for big back window)

OUR GLASS is sanded and buffed to a fine smooth rounded edge, tempered for strength and safety. Unconditionally guaranteed to fit and arrive in one piece. We do not use "laminated" glass as the quality of laminate has deteriorated (bubbles, breakage) tempered glass is safer and stronger, if you prefer laminate, ask. Original glass was laminated, use only if going exact of original. We can supply it even with original licensed logo "bug" extra bucks of course!

COMPLETE GLASS KITS - see website or call
SOLID SIDE WINDOWS - see page 92
WINDOW TRIM - see page 29
