FRONT SWAY BAR.....	2899	\$149.00 kit
---------------------	------------	--------------

SHOCKS

180 Psi nitrogen gas cylinder. Order by shock travel length, the shock should be somewhere in-between being full compressed and fully extended when on truck, that way it has room to move up and down when on the road. Post ends are available if needed, see web or call.

Min 9" - Max 13.5"	2440-EE	\$41.50 ea
Min 10" - Max 15.5"	2441-EE	\$41.50 ea
Min 11.75" - Max 18.5".....	2442-EE	\$41.50 ea
Min 12.75" - Max 20.5".....	2443-EE	\$41.50 ea

SHORT & SMOOTH LEAF SPRINGS

Our springs are specifically designed for an F-100 with small block or big block engines. Comes with installed poly buttons, eye bushings and center bolt. These & a pair of sway bars will give you most the ride and handling of an IFS at a fraction of the cost. Springs below are reverse eye. Stock eye lowered springs will lower you 1.25"-2" less, but do not require flipping hanger

57-60 Front, small block	2866-5760SB	\$265.00 ea
57-60 Front, big block.....	2866-5760BB	\$275.00 ea
