

WIRING, 6 VOLT

THIS PAGE IS FOR 6 VOLT TRUCKS ONLY, IF YOU ARE LOOKING AT 6 VOLT AND ARE UNDECIDED, ANSWER THIS QUESTION:

Are you striving for exact, or as close to exact of original as possible? NO? Then don't even mess with 6v, go 12v. All 1953, 1954 and 1955 trucks were originally 6 volt, positive ground. The following pieces are cloth bound, proper color, correct wire size and include instructions.

6 VOLT TO 12 VOLT SYSTEMS. Changing to 12 volt will require a 12 volt generator or alternator (alternator is best choice). The bulbs need changed to 12 volt. Stock gauges, 6v heater motor and 6v wiper motors will work with an electronic voltage reducer. 6v starter will run a little fast and maybe not last as long so may not be worth changing. Battery, solenoid, & coil need updated.

DASH/COWL WIRING

1953, 6 cylinder	6V-14401-FAL	\$268.50 ea
1953, 8 cylinder	6V-14401-FAK	\$279.00 ea
1954, 8 cylinder	6V-14401-FDE	\$278.50 ea
1955, 6 cylinder	6V-14401-E	\$355.00 ea
1955, 8 cylinder	6V-14401-B5C	\$355.00 ea
<i>1956 See our kit, is cheaper and has turn signals, page 46</i>		

1953 COIL TO DISTRIBUTOR.....6V-14302-7RA.....\$6.75 ea

GENERATOR TO REGULATOR WIRING

1953-54, 6 cylinder	6V-14305-FAJ.....	\$18.50 ea
1954, 8 cylinder	6V-14305-FDE.....	\$19.50 ea
1955, 8 cylinder	6V-14305-FDM.....	\$18.00 ea

HEADLIGHT CROSSOVER WIRING.....6V-13006-BTZ.....\$34.50 ea

Includes park lights, and horn wires

HEADLIGHT SOCKET & PIGTAIL.....6V-2235.....\$22.50 ea

53-54 HORN RELAY TO HORN.....6V-14440-FA.....\$19.00 ea

1955 HORN RELAY TO HORN.....6V-14440-B5C.....\$17.50 ea

53-54 SOLENOID TO JUNCT. BOX.....6V-14439-FAA.....\$42.00 ea

TAIL LIGHT CROSS OVER WIRES.....6V-14405-B5C.....\$76.50 ea

Harness comes from steering column with both brake lights

CONNECTOR *Needed for 6V ends*

4-way	3205	\$6.50 pr
Single.....	3205-1	\$2.25 pr

PARK-TAIL LIGHT SOCKET & PIGTAIL

6 volt double	6V-2213	\$15.00 ea
Double	2213	\$4.50 ea

FLAT HEAD TEMP X-OVER WIRE

53-54	6V-14432-7RA.....	\$10.50 ea
-------------	-------------------	------------

NEUTRAL SAFETY SWITCH WIRES

54-55	6V-14476-FDE.....	\$32.00 ea
-------------	-------------------	------------

RADIATOR FAN 6V 16" SuperFlo.....6V-5031.....\$99.00 ea

6 VOLT ACCESSORIES

Temp sender, single post.....	6V-2941.....	\$58.50 ea
Temp sender, double post	6V-2942-2.....	\$58.50 ea
Cigar lighter	6V-1003.....	\$28.50 ea
Flasher	6V-2920.....	\$9.50 ea
Gas sending unit.....	6V-1603.....	\$45.00 ea

SCHEMATIC *Color, 11 x 17, laminated, close up of tiny piece shown.*

Order year (1953-4) (1955) or (1956).....	B-3203 (yr)	\$15.50 ea
---	-------------------	------------

6 VOLT BULBS

Tail or park light with turn signals.....	6V-2260	\$1.50 ea
Park light, no turn signals	6V-2269	\$2.00 ea
Dome light	6V-2269	\$2.00 ea
Dash cluster.....	6V-2618	\$1.90 ea

ELECTRONIC VOLTAGE REDUCERS

For single gauges, one per gauge.....	3222	\$15.95 ea
For multiple gauges up to 1.5 Amps.....	3223	\$64.50 ea
For motors, heater & wiper.....	3223-4	\$76.00 ea

6 VOLT HEADLIGHT RELAY.....6V-3268.....\$32.50 ea

6 VOLT ALTERNATOR.....6V-3266.....\$275.00 ea
