

DOOR LOCKS

DOOR LOCKS & KEYS

Stainless cover lifts up, fat part of lock to back, point to front. Unless custom cab or ordered with two locks, lock was only on passenger side. Know why? Safety, yes, safety Ford did not want you unlocking doors standing in traffic or, exiting vehicle while parallel parked, this forced passenger side exit

REMOTE KEYLESS ENTRY

Lights and sound, remote lock and unlock kit. Fun!, I love this, remote locks and unlocks the door, chirps the horn and flashes the lights, just like in a new truck. Neat!!! Complete with 2 remotes, power box, relays and instructions. All the figuring has been done for you, easy install

Kit 3239 \$199.00 kit

ALTMANS EASY LATCH

Bear claw locking kit, neat, clean, easy to install, solves lots of problems. Uses new USA made "bearclaw" like latches, Will not fit any other makes or years, sorry. Uses stock door handles inside and out. Even locks with stock outside key lock.! (Inside handle does not lock door) plates can be welded or bolted in, and cover the only hole made. Striker and pin are included and bolt on, covering original striker location. Perfect for an already painted truck, really neat kit !!!!
