## FRONT END BOLT KITS

### UPPER FRONT FENDER TOPSIDE AND VALANCE

All body bolts that are visible with hood open, running down both fenders and across valance. Does not include latch bolts. We assume some of the existing cage nuts may be missing so we have included locks, nuts & washers with the following kits.

Black original style .....	87050-BL .....	\$22.50 kit
Plain stainless hex head .....	87050-SX .....	\$28.50 set
Polished stainless button head .....	87050-PB .....	\$78.50 set
Polished stainless hex head .....	87050-PX .....	\$68.50 set
Cage nuts .....	.....	see above
J-nuts .....	.....	see page 104

### LOWER FRONT END BOLT KIT

All the bolts that are somewhat hidden, does not include the ones along the top of the fenders. (See kits above). All bolts are fine thread and include both matching flat washers, nut & lock or Nylox.

Hex head zinc plated .....	87020-Z .....	\$29.00 kit
Hex head stainless .....	87020-SX .....	\$49.00 kit
Button head stainless .....	87020-SB .....	\$75.00 kit
Polished stainless hex .....	87020-PX .....	\$135.00 kit
Polished stainless button head .....	87020-PB .....	\$150.00 kit

If you want every bolt in the truck polished, great, but some threads show so you might want about 30 acorns & flats

Set ..... # IMNUTS ..... \$50.00 kit

### POLISHED COMBO KITS

Top is polished stainless and bottom kit is plain stainless, choose bolt style. Make sure you use anti-seize when putting it together the first time, because it probably won't be the last.

Button head bolts .....	87025-CMPB .....	\$139.00 kit
Hex head bolts .....	87025-CMPX .....	\$117.50 kit

### ANTI SEIZE

1/4 OZ tube .....	87000-1 .....	\$1.00 ea
4 OZ bottle .....	87000-4 .....	\$6.95 ea
