### STAINLESS SIDE WINDOW TRIM MOLDING SET

1956 reproduction with clips ..... 1215 ..... \$159.99 pr

### SIDE WINDOW TRIM CLIPS

The only replacements available are too heavy and require a larger hole in the door as well as some grinding on trim. We have now reproduced the correct clip, but it's pricey! Got the price down a little on this new run. They are worth the price as any other clip available requires enlarging the holes in door & grinding trim.
