

GAUGES, AFTERMARKET

DIGITAL VHX GAUGES

Fit directly into the stock dash without modification. Fully lit needles, back-lit faces, highly visible LCD message centers set VHX Series apart from yesterday's traditional approach to instrumentation. Plus micro-controlled stepper motors, solid state sensors for accuracy, and user-customizable display feedback, limited lifetime warranty. Features: speedo, tach, water temp, oil pressure, voltmeter, fuel, odometer, trip odometer (2), clock, gear indicator, hour meter, resettable service meter, 0-60 timer, 1/4 mile timer/speed, high speed/rpm recall, turn signals, high beam, park brake, cruise control indication, check engine.

Colors are silver with red or blue, or carbon fiber with red or blue

1956 VHX cluster

Does NOT include frame 2686 \$795.00 ea

Senders for Dakota Digital dashes

Note that most digitals will read most aftermarket sending units.

Fuel sender 2697 \$38.00 ea

This is the simplest and cheapest one if you do not have a sending unit that works, stock Ford units do not work. Sender will need adapter 1605-ADPT if using original gas tank.

Ford transmission adapter 2639-C4C6 \$62.50 ea

C4-C6 type transmission to electric sender

Adjustable auto shift sender 2633-GSS \$99.95 kit

A real problem solver, this sender fits all automatic transmissions, just to name a few, TH350, TH400, 700R4, 4L60, 4I80, Powerglide, C4,C6, ADO, Mopar, etc Neutral safety switch included.
