

THIS PAGE IS FOR 6 VOLT TRUCKS ONLY, IF YOU ARE LOOKING AT 6 VOLT AND ARE UNDECIDED, ANSWER THIS QUESTION:

Are you striving for exact, or as close to exact of original as possible? NO? Then don't even mess with 6v, go 12v.

All 1953, 1954 and 1955 trucks were originally 6 volt, positive ground. The following pieces are cloth bound, proper color, correct wire size and include instructions.

6 VOLT TO 12 VOLT SYSTEMS. Changing to 12 volt will require a 12 volt generator or alternator (alternator is best choice). The bulbs need changed to 12 volt. Stock gauges, 6v heater motor and 6v wiper motors will work with an electronic voltage reducer. 6v starter will run a little fast and maybe not last as long so may not be worth changing. Battery, solenoid, & coil need updated.

DASH/COWL WIRING

1953, 6 cylinder	6V-14401-FAL	\$299.95 ea
1953, 8 cylinder	6V-14401-FAK	\$279.95 ea
1954, 8 cylinder	6V-14401-FDE	\$278.50 ea
1955, 6 cylinder	6V-14401-E	\$355.00 ea
1955, 8 cylinder	6V-14401-B5C	\$355.00 ea

1956 See our kit, is cheaper and has turn signals, page 46

1953 COIL TO DISTRIBUTOR	6V-14302-7RA	\$5.50 ea
--------------------------------	--------------------	-----------

GENERATOR TO REGULATOR WIRING

1953-54, 6 cylinder	6V-14305-FAJ	\$18.50 ea
1954, 8 cylinder	6V-14305-FDE	\$21.95 ea
1955, 8 cylinder	6V-14305-FDM	\$18.00 ea

HEADLIGHT CROSSOVER WIRING...	6V-13006-BTZ	\$33.95 ea
-------------------------------	--------------------	------------

Includes park lights, and horn wires

HEADLIGHT SOCKET & PIGTAIL	6V-2235	\$23.95 ea
----------------------------------	---------------	------------

53-54 HORN RELAY TO HORN	6V-14440-FA	\$19.00 ea
--------------------------------	-------------------	------------

1955 HORN RELAY TO HORN	6V-14440-B5C	\$17.50 ea
-------------------------------	--------------------	------------

53-54 SOLENOID TO JUNCT. BOX	6V-14439-FAA	\$42.00 ea
------------------------------------	--------------------	------------

TAIL LIGHT CROSS OVER WIRES	6V-14405-B5C	\$76.50 ea
-----------------------------------	--------------------	------------

Harness comes from steering column with both brake lights

CONNECTOR Needed for 6V ends

4-way	3205	\$6.30 pr
Single	3205-1	\$2.25 pr

PARK-TAIL LIGHT SOCKET & PIGTAIL

6 volt double	6V-2213-2	\$12.00 ea
6 volt Single wire, original park light	6V-2213-1	\$16.95 ea

NEUTRAL SAFETY SWITCH WIRES

54-55	6V-14476-FDE	\$32.00 ea
-------------	--------------------	------------

RADIATOR FAN 6V 16" SuperFlo	6V-5031	\$99.00 ea
------------------------------------	---------------	------------

6 VOLT ACCESSORIES

TEMP SENDER, single post	6V-2941	\$58.50 ea
--------------------------------	---------------	------------

TEMP SENDER, double post	6V-2942-2	\$54.00 ea
--------------------------------	-----------------	------------

FLAT HEAD TEMP X-OVER WIRE, 53-54	6V-14432-7RA	\$8.75 ea
---	--------------------	-----------

CIGAR LIGHTER	6V-1003	\$27.00 ea
---------------------	---------------	------------

FLASHER	6V-2920	\$9.50 ea
---------------	---------------	-----------

GAS SENDING UNIT	6V-1603	CALL
------------------------	---------------	------

SCHEMATIC Color, 11 x 17, laminated, close up of tiny piece shown.

Order year (1953-4) (1955) or (1956)	B-3203 (yr)	\$15.50 ea
--	-------------------	------------

6 VOLT BULBS

Tail or park light with turn signals	6V-2260	\$1.50 ea
--	---------------	-----------

Park light, no turn signals	6V-2269	\$2.00 ea
-----------------------------------	---------------	-----------

Dome light	6V-2269	\$2.00 ea
------------------	---------------	-----------

Dash cluster	6V-2618	\$1.90 ea
