## !@#\$\*&%#@ INSTRUCTIONS

MID FIFTY F-100 PARTS MIDFIFTY.COM 800-252-1956

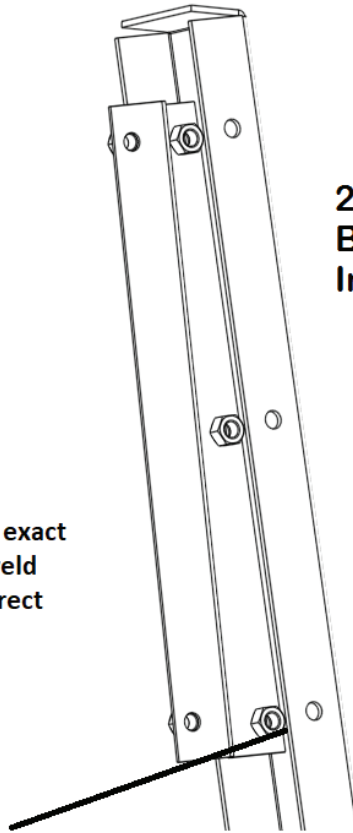

Front Of Truck

**2332 Radiator Saddle Angle Bracket.**  
**Installation, Right Side Shown**

The shape of the bracket is not exact of original but the bends and weld nuts put the radiator in the correct position.

Oversized nuts, washers or spacers can be used to allow additional room for engine/fan as needed.
