!@#%#!@#% INSTRUCTIONS!

MID FIFTY F-100 PARTS (800) 252-1956 MIDFIFTY.COM

\$25.00 - \$35.00 credit for STOCK STEERING BOXES

For those of you keeping the good ol' stock "Arm-Strong" steering we rebuild the original box and need the cast housing, plates, and sector shaft (see diagram below for necessary components).

Your choice for store credit or check.

\$35.00: You ship the core to us (you pay the shipping).

\$25.00: We will send a pre-paid shipping label (we pay the shipping).

Cut the long shaft about an inch or two above the top shaft of the box. **BE CAREFUL** not to cut too low and cut the top edge of the box!

After cutting the shaft, the box will now fit into a small package. **Wrap the box in plastic bags!** (UPS do not like leaky packages!)

A large flat rate box from the post office is a perfect size.

*Remember the top edge of the box must not be cut and the cast housing, plates, and sector shaft must be present in order for the box to count as a valid core.

Call us at 800-252-1956 for a prepaid label or ship core to:
